

## Money – Suggestions for the learning environment

### IDEAS FOR THE CLASSROOM

- Classroom shop – for role play. Include till, trolley and items on display with prices.
- Card machine with contactless symbol and a card
- Display table with Banking / Post Office / Credit Union theme – coins, cards, currency exchange, loans
- Display – price list and / or receipt
- 3 children working with calculators and clipboard
- Ipad looking at online shop scenario
- Computer displaying excel spreadsheet (Budget)
- Round table with 4 children – coins on one, notes on another – exchange going on
- On wall – map of the world including symbols of some currencies e.g. euro, dollar, yen and pound

### IDEAS OUTSIDE THE CLASSROOM

- Back to school – stationary price list
- Bake-sale – organised by students
- Savings clubs – maybe use stamp booklet
- Visitor to school – local shopkeeper and banker
- Organise a visit to local credit union/institution
- Second hand sale at school – bring and buy
